

Remarks

The present communication responds to the Final Action mailed January 8, 2004. The Action indicates that claims 13, 16 and 20 are allowed. The present communication cancels, without prejudice, the non-allowed claims, thereby placing the application in condition for issuance of a Notice of Allowance. Claim 16 was presently amended to correct a scrivener's error.

This communication is proper after final action because it places the case in condition for Notice of Allowance in accordance with the Final Action.

Respectfully submitted,
